

WSF Newsletter | December 2009 |

Dear WSF Friends |

Soon another year is ending. For the WSF World Spirit Forum it was since the last, 6th WSF Forum in January 2009 a quite calm year. After the forum and till March 2009 one after the other the WSF Team members finalized their volunteer work.

I would like to express on this occasion my deepest Thank you – as well in the name of the WSF Association Board - to: Christoph Quarch, Elisabeth Walcher, Tom Steininger, Liss Gehlen, Stephan Keller, Gabriele Castagnoli, Michael Schneider, and the volunteer Jeannine Brutschin.

"My appreciation goes especially to your engagement for the vision and mission of the WSF, an engagement which was not only time consuming, but as well costly for each of you. Thanks to your efforts all contributors at the WSF Forums enjoyed interesting and inspiring days."

Due to my situation in spring 2009, as WSF President without WSF Team, the thought had occurred to me to finalize my WSF history as well. After 7 challenging WSF Years it seemed I had lost the strength to continue looking for support and financial means for this, in my own opinion, so important project. But a final decision was not easy for me.

Soon was clear, that nobody in the board of the WSF Association had the possibility or the capacity to run the WSF Forum. Throughout the summer many more talks and meetings with the WSF Association Board and as well long established WSF Friends took place. Within the scope of my talks and visits on international conferences, I was pleased to experience over and over again how strongly the vision and idea of the WSF World Spirit Forum is recognized and wanted by the people.

So slowly during the Year my strength came back, and I recognized, that I would like to lead the WSF Forum into its next 7-years-cycle. Once my own decision was made, more energy became free and new WSF Team Members showed their interest in collaborating. Since then a favourable trend has taken place, I will inform about in the first newsletter in 2010.

Because of the development all year, the 7th WSF World Spirit Forum, announced on our homepage, can not be officially conducted by us. Instead of this we will have an internal meeting from the 17th-20th January in Arosa, which will give us the necessary energy and lead us into the next phase of the WSF World Spirit Forum.

For Christmas and New Year I wish you a restful, contemplative and reflective time. Enjoy it – al(l)one or with your loved ones.

Love and Peace,
